Bellevue Family Medicine

Site Requirements

This is a fragrance-free site.
Bozeman Deaconess Health Services

Deadline

As soon as possible.

Paperwork to complete

- Checklist for Student Credentialing
- TB Consent Form
- Immunization History
- Latex Questionnaire
- Guidelines for Temporary and Non-Employees
- Security Agreement
- Proximity Badge Agreement
- Confidentiality Commitment

Contact the Site

Contact Selina Irby if you have questions about the onboarding process:

Selina Irby
Phone: (406) 556-5186
Email: Sirby@bdh-boz.com
Branch Medical Clinic (Everett Naval Base) & Bremerton Naval Hospital

Deadline

As soon as possible. Your assigned preceptor will help arrange orientation and get you on base.

Required Paperwork

🔗 How to Apply for a Navy Region Northwest (CNRNW) Badge

For students born out of the country: The Alien Reg number is generic in nature (Encompassing Permanent Resident number (Tan cards), Immigration number (older green cards), Student Visa, US Passport, Naturalization number etc.). We would need your “naturalization” number from the naturalization certificate that everyone should keep handy and readily accessible if they were born in another country. US Passport numbers also work.

Please print and fill out the required form and return it to Paulette Leafe at paulette.m.leafe.civ@mail.mil

Deadline

As soon as possible.

Contact the Site

Tricia Balderrama
Phone: (425) 789-0334
Email: tbalderrama@chcsno.org

Tricia will help arrange your site orientation.

Additional Site Requirements

Complete a 3 1/2 hour orientation at:
5929 Evergreen Way
Everett, WA 98203

Bring the following with you to the orientation:

1. Results of PPD done within the past 12 months - this is in addition to any PPD testing you have done annually. Testing can be completed at Hall Health (by appointment) or through your primary healthcare provider.

2. Most recent immunization record

3. Current CPR license
**Confluence Health**

**Required Documentation:**

1. Completion of the Confluence Health forms: Terms and Conditions, Workforce Confidentiality and Security Agreement, Disclosure and Authorization, Medical Information including:
   - Tuberculosis (TB) – Two (2) skin tests placed and read within 1-3 weeks after the reading of the first skin test or a negative Blood Assay Mycobacterium Tuberculosis Test (BAMT) or Documented TB History
   - Two (2) Measles, Mumps and Rubella Vaccines or positive titers
   - Two (2) Varicella vaccines or positive titer
   - Influenza vaccine (Seasonal Requirement)
   - Hepatitis B Vaccines or positive titer recommended, not required
   - Tetanus/Diphtheria/Pertussis (Tdap) vaccine required for OB/ Peds

   *The school will produce first source documentation of your immunizations upon an audit. It is your responsibility to remain compliant and complete the site specific immunization requirements.*

2. Documentation of the following:
   - Current negative drug screen. The screening must be performed within the previous 12 months. Minimal screening substances include: amphetamine / methamphetamine, cannabinoids, cocaine, opiates and phencyclidine.

   **Acceptable documentation:** A copy of a current negative drug screen - **UW STUDENTS DO NOT NEED TO MEET THIS REQUIREMENT AT THIS TIME.**

   - Current negative criminal background check. The background check must be performed within the previous 12 months and include a minimum of the following: 7 year multi-state criminal history report including Nationwide Database Records, Residency History, Social Security Verification, Nationwide Sexual-offender Index, Nationwide Healthcare Fraud and Abuse Scan.

   **Acceptable documentation:** A copy of a negative multi-state criminal history report.

   - General liability and malpractice insurance. The minimum coverage required is one million dollars/incident and three million dollars aggregate. This coverage may be an individual policy or a group policy provided by the employer.
Acceptable documentation:

- An electronic copy of the insurance policy indicating minimum coverage amounts with the name of the individual covered by the policy.

- **An electronic document from the employer providing the liability coverage** which states the name of the personnel requesting to participate in a rotation and verification that they are a current employee covered under the policy.

- Current healthcare-provider level Basic Life Support (BLS) certification.

**Acceptable documentation:** A copy of a current HCP-level certification card.

Please submit all forms to:

**Jenny Batt**

Downtown Emergency Service Center

Deadline

As soon as possible.

Site Requirements

1. As soon as possible, contact your preceptor to arrange for a DEHC ID badge and computer privileges.

2. Wear your UW SoN name tag and professional, casual clothes. A button-down shirt and slacks is preferred.

Site Information

- Downtown Emergency Service Center website
- To get to the Mental Health Office at 216 James Street (at the top of the Metro Bus Tunnel escalator for the Pioneer Square stop), they recommend you take a Metro bus or catch the UWMC shuttle to Harborview and walk (or bike) from there. Because parking is difficult and/or expensive, they recommend that you take one of the "70" buses from the U District. Visit the King County Metro Transit website for information on routes and schedules.

Email us

206-543-8736 or 1-800-759-NURS

Box 357260
Seattle, WA 98195
Everett Clinic

Deadline

2 weeks prior to your clinical rotation. Contact the clinical site for the paperwork requirements as they will email them to you.

Paperwork to Complete

1. Please bring your immunization records to the site: You will need records of the following:
   - MMR
   - Hep B
   - Varicella – History of disease is NOT accepted. Titer or vaccination records are required.
   - Tdap (must be since 2006)
   - Influenza (typically required October through April)
   - PPD (Must have been done within the last 12 months)
     - We do require a 2 step PPD for all students, so we will place a 2nd PPD here at no cost. This will be done through Tammy, our Employee Health and Safety RN, once all other immunizations have been turned in and must be completed prior to the start date.

2. **Background Check** – This will be sent to your email address. It will come from a company called Talentwise. Please watch for this in your spam folder as well.

3. **Resume/CV with photo** These documents can either be scanned or emailed to:
   - Email: Colter Ruuth cruuth@everettclinic.com
   - Fax: (425) 257-1435
   - Mail: The Everett Clinic, Attn: Human Resources, 3901 Hoyt Ave Everett, WA 98201

4. Complete and return the Policy & Procedure form (Email the site to get the required form)

5. **Additional signed acknowledgments (email the site to get the most up to date required forms/paperwork for your rotation) as the list below may not be accurate.**
   - Confidentiality Agreement
   - Computer Use
   - Dress & Appearance

Franciscan Medical Group & Clinics

Franciscan Medical Group & Clinics covers the following sites:

- Surprise Lake Medical Clinic, Tacoma South Clinic, University Place Medical Clinic, St. Joseph's Women's Clinic

Paperwork to Complete (due at least 3-4 weeks in advance)

1. Access the FHS online Student for current requirements: [http://www.fhshealth.org/About-Us/Student-Requirements/](http://www.fhshealth.org/About-Us/Student-Requirements/)

2. Email Debraburleson@catholichealth.net to obtain the most up to date student packet.

3. Clinical Passport - This site requires a clinical passport. Please email SoN Compliance directly at nscomply@uw.edu. Your passport WILL NOT be generated until you contact SoN Compliance. The clinical passport needs to be submitted to your clinical site three weeks before the start of the quarter by SoN Compliance at Student and Academic Services. Therefore, submit all items as requested by SoN Compliance NO LATER than four weeks before the start of the quarter. Request an immunization summary and TB summary from Health Sciences Immunization Program (HSIP) via myshots@uw.edu. Include your student # in the email request. The immunization summary MUST include the annual influenza vaccination. Email both documents to SoN Compliance. NOTE: Per UW policy, the SoN can only take information verified and processed by HSIP. Do not send immunization information or test results directly to SoN Compliance.

Students at any inpatient Saints hospital will need to contact Agueda in regards to onboarding

Agueda Delgadillo

Medical Staff Coordinator

CHI Franciscan Health

Med Staff Svc @ SJMC

P.O. Box 2197, MS 01-64
There's also requires immunization records to include with your student packet. You will need to request your immunization history first through myshots@uw.edu.

Additional Requirements

- TB information: By signing the form included in the student packet, students are attesting that their immunization is current and updated
- Need proof of current Flu Vaccine
- Provide the site a copy of their driver’s license and/or passport
- All students will need to request a student NPI (National Provider Identifier) #. The link is on the form.
- If convicted of a misdemeanor or felony, student is still required to provide details of the incident and circumstances surrounding the situation.
- Epic training is a requirement- Advance to STEPS page 6B (link above)
- Job Shadow Application - this only applies to students who will be doing a job shadow or observational experience only.

Update to students at Franciscan CHI- Catholic Health Initiative

There’s been a change to the process for students who wish to rotation at any of the CHI Franciscan Health hospitals. We’ve been asking all students for a “student” NPI (National Provider Identifier) and provided them with the link to obtain one. There have been instances where a student will be allowed to begin the rotation without the NPI # and provide the number at a later time. From this point forward, a NPI # will be required for ALL students. If this is something you will be doing on behalf of your students, the link is below. For those foreign students, there is a way to obtain a student NPI; NPI - National Provider Identifier: 1 (800) 465-3203

Prior to sending a packet out to students, I will need the following information, please provide:

1. Full name of student (last, first, middle)
2. Date of birth
3. NPI #: NPI # as a “student” is required: use this link to begin the process: https://nppes.cms.hhs.gov/IAWeb/warning.do?fwdurl=/register/startRegistration.do

b. Frequently asked questions: https://questions.cms.gov/

c. Application Tips: https://nppes.cms.hhs.gov/NPPES/StaticForward.do?forward=static.application...

d. Questions: 1 (800) 465-3203
Full Life Care

Deadline

As soon as possible.

Fax: (206) 877-0649
Email: graduatemedicaleduca@ghc.org

---

**Additional Information**

*Influenza immunization is now mandatory for all Healthcare workers who work in facilities where patient care is provided or who provide patient care, including agency, contracted, students, interns, trainees, and vendors.* Group Health implemented this policy in order to provide a safe environment for our patients and staff. Compliance consists of either being immunized or having a medical or religious exemption.

Healthcare Workers that have a medical/religious exemption will be required to wear a mask when working in patient care areas once our Infectious Disease physicians have declared that flu is active in the community. Healthcare Workers not in compliance with the influenza immunization policy will not be allowed to work at Group Health.
Academics

Hall Health Center

Deadline/Where to Return Paperwork

Paperwork must be completed 4 weeks before start date of clinical rotation. Return forms to Karen Beck (see below).

Paperwork to Complete

Contact Karen Beck (see below) for the required paperwork:

- Confidentiality Agreement
- Trainee Information form

Contact the Site

Karen Beck
Health Services Manager
Hall Health Primary Care Center
315 Hall Health. Box 354410
Seattle, WA 98195
Fax: (206) 685-1853
Email: klbeck@uw.edu

Additional Site Information

- For every clinical, wear your School of Nursing photo ID badge, professional attire, and/or a white lab coat.
- Per the UW Medicine security policy, you cannot have your UW email forwarded to an outside email account. If you use an email forwarding service, it will need to be deactivated for the duration of your clinical rotation. You will need to follow instructions for switch from UW cloud services to UW Deskmail for the duration of your clinical rotation at UWMC.
- Once the Confidentiality Agreement is received, the HHPCC Health Services Manager will request Hall Health network access, EpicCare training access, and Epic access.
- Provide the HHPCC Health Services Manager with the following information:
  1. Your Full name
  2. Birth Date
  3. Place of Birth
4. UW NETID

5. Social Security Number

NOTE: Since email is not secure, relay your SSN via phone at 206-616-3772.

- The HHPCC Health Services Manager will notify the student, clinical placement coordinator, and preceptor once the steps are complete and the student is cleared to start the clinical rotation. **This must be completed at least 1 week prior to the start of the rotation.**

  - Procedure for the first day of your clinical rotation:
    - Report to HHPCC Administration Office to receive access information
    - Meet your preceptor
    - Your preceptor is responsible for providing Epic training

---

**Faculty Requirements**

Permission to site visit a student is required by all faculty. This must be done at least 2 weeks prior to the scheduled visit.

Contact Karen Beck for the required paperwork:

  - Confidentiality Agreement
  - Trainee Information Form

---

**Email us**

206-543-8736 or 1-800-759-NURS
Box 357260
Seattle, WA 98195
Harborview Medical Center

Deadline
As soon as possible.

Paperwork to Complete

- Complete the online HMC New Student Orientation: [http://depts.washington.edu/odtreg/wordpress/](http://depts.washington.edu/odtreg/wordpress/)
- This site does not require the clinical passport, however, you must be passport compliant to attend Harborview. Please email SoN Compliance at nscomply@uw.edu so that he can start the process.

Read, print, and sign the items as directed:

- **Booklet:** Read Integrity at Work
- **Form 1:** Sign page 31 of Integrity at Work (IAW) Booklet
- **Form 2:** Sign Privacy, Confidentiality and Information Security Agreement (PCAISA)
- **Form 3:** Sign Patient Rights and Responsibilities signature page

Submit completed Paperwork to Pam Guntrum via these options:

- Jpeg or PDF via email *(Preferred)* pguntrum@uw.edu
- Fax: (206) 744-4886 ; OR
- Campus Mail: Box: 359855

*please see information below regarding badging at Harborview starting Spring 2015*

Computer Training Requirements

Ask your preceptor what computer training you will need for your rotation: EpicCare, ORCA, or none and let your Clinical Placement Coordinator (CPC) know. Usually, ambulatory care clinics at HMC use EpicCare.

If you need EpicCare or ORCA training, you will need to complete a **MANDATORY** computer training class which is only offered once. If you have a conflict with the training schedule, contact your CPC immediately. **NOTE:** If you arrive later than 15 minutes after the start of class, you will be asked to reschedule.

EpicCare Training
Please contact Pamela Guntrum regarding your training. Pam will register students to attend a training class for the inpatient EMR or receive online training for the ambulatory EMR.

Phone: 206.744.9488
Fax: 206.744.4886
pguntrum@u.washington.edu

The Harborview site coordinator will confirm the date, time, and location of the class.

Additional Information

- Directions to Harborview
- Directions to UW Tower

Email Forwarding

Per the UW Medicine security policy, you cannot have your UW email forwarded to an outside email account; you are required to use a 'u.washington.edu' or 'uw.edu' email address. If you use the email forwarding service, it will need to be deactivated for the duration of your clinical rotation. You are considered a UW Medicine Workforce Member until the end of your clinical rotation.

If you are auto-forwarding email at this time, disable this feature IMMEDIATELY through the following website: https://uwnetid.washington.edu/manage/?forward. To change your email forwarding, choose “Forward to UW Deskmail” then choose “OK.” If you need help setting your forwarding correctly, please contact UW Medicine IT service at (206) 543-7012. You can also contact the UW-IT Service Center at (206) 221-5000 or send an email to help@uw.edu.

For reference, please see UW Medicine's Electronic Data Policy located at: https://security.uwmedicine.org/guidance/policy/electronic_data/default.asp

Computer Training

If your rotation setting is an ambulatory care clinic using EpicCare for its EMR, you will need EpicCare training instead of ORCA. The Harborview student site coordinator will confirm the date, time and location of the class.

Badges Starting Spring 2015

HMC is reinstituting badges for students. Starting Spring quarter 2015, students need to obtain an HMC photo ID.

Students will stop by Pam Guntrum’s office to pick up a “blue card” and take that to the Parking and Badging Office to get a photo ID.

Pick up a “blue card” from Pam Guntrum’s office located inside of Employee Health at 1EC 21.

Bring the card to the Parking and Badging Office located on the 8th floor of the Center Tower. You will be asked for a photo ID to confirm your identity.

When your rotation is complete, return the HMC ID to Pam Guntrum.
Parking Passes

Visit the parking and badging office located on the 8th floor of the Center Tower for more information.

Email us

206-543-8736 or
1-800-759-NURS

Box 357260
Seattle, WA 98195
Harrison Hospital

Deadline

2-3 weeks prior to your clinical rotation.

Site Requirements

Please complete the following items contained in the Student Packet.

It takes about 10 business days to complete. Please complete them as soon as possible.

The following attachments should be sent to our Human Resources Assistant, Lana Heike. Her contact information is T: 360.744.6998

F: 360.744.6942. Please contact Lana if you have any questions or are having issues sending attachments.

In addition, All documentation for immune status and criminal background checks need to be in place, plus “Exhibit A” must be signed before (the student) can participate in their clinical experience at Harrison.

Exhibit A: Student Acknowledgement

Contact Information

Julie Gardner

Email: Julie.Gardner@harrisonmedical.org
HealthPoint

Deadline/Where to Return Paperwork

4 weeks prior to your rotation. Fax or mail your paperwork to the contact listed below.

Paperwork Requirements

1. Intern-Shadow Application
2. Non-Employee Packet
3. Copy of Current CV attached to your application packet
4. Copy of your immunization summary which you send directly to Chris Schei

Additional Site Requirements

You will need to complete the HealthPoint orientation materials on the first day of the rotation. The Health Center Manager will provide these for you at the clinic.

Site Contact

Chris Schei
Volunteer Coordinator
HealthPoint
955 Powell Avenue SW
Renton, WA 98057
Phone: (425) 277-1311 x 11060

The School of Nursing Will Provide to the Site:

- A copy of your national background check
- Letter of good standing.
High Point Medical Clinic

Please complete the requirements outlined for Neighborcare.

Email us

206-543-8736 or 1-800-759-NURS

Box 357260
Seattle, WA 98195
Highline Medical Center

Deadline

As soon as possible.

Paperwork to Complete

1. **Clinical Passport** - This site requires a clinical passport. Please email SoN Compliance directly at nscomply@uw.edu. Your passport WILL NOT be generated until you contact SoN Compliance. The clinical passport needs to be submitted to your clinical site three weeks before the start of the quarter by SoN Compliance at Student and Academic Services. **Therefore, submit all items as requested by SoN Compliance NO LATER than four weeks before the start of the quarter.** Request an immunization summary and TB summary from Health Sciences Immunization Program (HSIP) via myshots@uw.edu. Include your student # in the email request. The immunization summary MUST include the annual influenza vaccination. Email both documents to SoN Compliance. NOTE: Per UW policy, the SoN can only take information verified and processed by HSIP. Do not send immunization information or test results directly to SoN Compliance.

2. Please contact Christine Campbell the clinical site directly for your paperwork requirements. Christine will confirm what is required for your rotation.

Highline Medical Center needs the completed forms before the student can round with his or her preceptor.

Once confirmed please Submit the Completed forms/documents to:

Highline Medical Center

Christine Campbell

Box 357260
Seattle, WA 98195
Kindred Hospital

Deadline

1-2 weeks prior to your clinical rotation.

Contact the Site or your preceptor for paperwork requirements.

Site Requirements

Bring the following to your site orientation:

- Immunization records showing current TB test results
- CPR card
- Copy of your Verified Credentials background check
- RN license number
- Proof of HIPAA training completion
- Letter of good standing

Email us

206-543-8736 or 1-800-759-NURS
Box 357260
Seattle, WA 98195
King County Jail Health Services

Deadline/Where to Return Paperwork

As soon as possible. Mail form to the site.

Paperwork to Complete

- King County Jail Packet Instructions
- King County Jail Non-DAJD Packet

Please return these to:

Nancy Barnum
Jail Health Services
401 Fifth Avenue, Suite 1000
Seattle, WA 98104
Phone: (206) 263-8327
Fax: (206) 205-6236
Email: nancy.barnum@kingcounty.gov

Additional Site Requirements

1. Nancy is the HR Liaison for Jail Health Services (JHS). Once Nancy receives the packet, she will forward them to the Department of Adult & Juvenile Detention (DAJD).

2. Nancy will then send instructions to you to call DAJD and set up an appointment to have fingerprints taken.

3. Once the fingerprint results are returned, then the background check starts. It generally takes 7-15 days once the fingerprints have been returned.

4. Nancy will notify you and Miriam Philby (JHS Clinical Operations Administrator) when you have been cleared, with more instructions to make an appointment to come in and have photos taken. These photos go into the DAJD database.

5. When you come in to work, you will turn in your driver’s license and the Sergeant at the reception area in the jail, who will give you an "H" badge. This stands for “Health” and allows you to move about the facility as if you had an ID.
King County Youth Services Center

Deadline/Where to Return Paperwork

As soon as possible. Mail forms directly to the site.

Paperwork to Complete

- Authorization for Criminal History Reference Check
- Waiver and Authorization to Release Information

Submit these forms and a copy of your driver’s license to:

Volunteer Coordinator
King County Juvenile Detention
1211 E. Alder Street, MS 1-G
Seattle, WA 98122-5598

Contact the Site

Tom Stone
Email: stonenp@u.washington.edu

Tom will help arrange a necessary background check for you (Protection of Vulnerable Youth).

Additional Information

- Clinical Tasks
- Site Information

Directions and Parking

On-site parking is free. Metros buses #3 and #4 also service this area. A map of the area and printable driving directions can be found here.
Kitsap Mental Health Services

Deadline

As soon as possible. Bring your completed paperwork and your resume to HR on your first clinical day.

Paperwork Requirements for Students:

1. Online Application
2. Background Check

You will need to complete HR paperwork on your first day. It will take about 20 minutes.

Box 357260
Seattle, WA 98195
Madigan Army Medical Center

Deadline

4-6 weeks prior to your clinical rotation.

Contact the Site

jennifer.l.jones-gonzalez.mil@mail.mil
Deputy Director, Clinical Nurse Transition Program Clinical Placement Coordinator, Graduate and Undergraduate Madigan Army Medical Center, WA 98431
Cell: (419) 575-1987
Office: (253) 968-2945
Fax: (253) 968-4129

Prior to orienting Jennifer will email you a password and user ID so you can complete the Information Assurance training. She will also arrange an orientation time for you, where she will go over HIPAA training and give you a quick hospital orientation. She will also take you to the Provost Marshall's office to get your ID badge and parking pass.

If you wish to meet with your preceptor that same day, contact your preceptor in advance to see if this can be done.

Site Requirements

1. Complete computer training once CPT Romaker has sent you the user ID and password.

2. Complete the student AMO once Jennifer has sent you the AMO.

3. Attend site orientation. The process of orientation, getting a badge and car pass may take up to 4 hours.

4. You must have personal health insurance in order to attend this clinical site. If you do not, it is your responsibility to e-mail your Clinical Placement Coordinator and inform them that you need to change your clinical site.

Additional Information

- Commander's Code of Conduct
- Map/Directions to MAMC
- When you arrive at the main Fort Lewis gate, you will receive a 30-day pass. Once you inprocess through MAMC and receive your Madigan ID badge, return to the main Fort Lewis gate with the ID badge before your 30-day pass expires to receive a
pass that will give you access for the remainder of your time at Madigan.

Please note: Everyone in a car accessing Fort Lewis will need a valid photo ID. This means that if one person went through the process to get a vehicle pass, and the other 3 people in the car are riding along for clinicals, everyone in the car must have a current, non-expired picture ID.

The School of Nursing Will Provide to the Site

Monroe Correctional Complex

Monroe Correctional Complex cover the following sites:

- Minimum Security Unit, Special Offenders Unit, Twin Rivers Corrections Unit, and Washington State Reformatory Unit

Deadline/Where to Return Paperwork

4-6 weeks prior to the clinical rotation. Email completed forms directly to the site.

Paperwork to Complete

- Volunteer Application Form
- Criminal Disclosure Form

Contact the Site

Susan Plouff
Phone: (360) 794-3223

Contact Susan as soon as possible to help arrange your site orientation date. You will need to send the Volunteer Application and Criminal Disclosure forms to Susan.

Additional Site Requirements

1. Current negative TB test results

2. Attend site orientation, which takes place on the 1st and 3rd Monday and Tuesday of each month (if there are enough students to fill the class). Monday sessions are a full day and Tuesday sessions are half-day.

3. Attend additional training, which only takes place every other month during the 1st and 3rd Monday and Tuesday of the month. During these two days, you will complete badging, fingerprinting, security brief, PREA, and infectious disease training.

4. Your preceptor will give you an additional short orientation.
MultiCare Health Systems

MultiCare Health Systems covers the following sites:

- Allenmore Hospital
- Auburn Regional Medical Center
- Good Samaritan Community Health Clinic/Hospital
- Mary Bridge Children's Hospital and Health Center
- Tacoma General Hospital

Deadline

At least 30 days prior to your clinical rotation. The clinical site should send you onboarding information once they receive your clinical placement.

Paperwork to Complete

Complete and return the following forms to Kareena Andreas: Kareena will send you an email regarding the current site requirements.

To Be Completed by the Student

- Student Immunizations

- Drug Screen-MultiCare now requires a 5-panel drug screen for all students and faculty coming to MultiCare. The school does not reimburse for it. You may be able to submit it to your insurance carrier for reimbursement. You can have the drug screen done at any clinic, e.g., at your HCP’s clinic or in any of the MultiCare Occupational Medicine locations. http://www.multicare.org/om-locations/. Obtain a copy of your results and send it to Kareena. Please also inform SoN Compliance of the drug test date (The school DOES NOT need or want your drug test result).

- MHS Intake form – filled out fully. School is company. School coordinator signs page two as licensed entity manager. Student signs page two and three as user. Site will fill in your trackmanager ID & sign as sponsor. Sponsor department is GME. Student to connect with Diane.Ness@multicare.org for EPIC education – I will order EPIC act once I receive the intake form.

- Information Services (IS) User Registration Form

- MHS HIPAA confidentiality / needle stick (looking for the HIPAA portion)

- JPEG picture

Additional Student Site Requirements
1. Bring copies of the following to your facility orientation:
   - Most recent immunization record, including documentation of required influenza vaccine (you can request these via myshots@uw.edu)
   - CPR certification
   - RN license
   - MultiCare no longer issues MHS ID badges. You need to wear your UW ID badge when working with them

2. Complete HIPAA training

3. MultiCare requires a two step TB; varicella titer or two vaccines (not by history); Hep C if working Operating Room or L&D; influenza vaccination; the rest of the immunizations would most likely be the same (MMR, Tdap, Hep B.)

Contact the Site

Kareena Andreas
Talent Acquisition, MHS HR

Website: http://www.multicare.org/home/multicare-jobs-2/

Additional Information

Masking Policy

The MultiCare Influenza Immunizations Policy requires employees and non-employed staff - which includes volunteers, agency staff, students, providers and vendor representatives - to either accept a vaccination, use flu mist (if available) or wear a mask when on the floor, unit or department where patients receive care or when within six feet of a patient for more than five minutes when outside of these areas.

By December 10, all employees and volunteers are responsible for either:

1. Accepting the vaccination and visibly wearing a black badge holder at all times, or

2. Complying with each of these requirements:
   1. Complete the Influenza Vaccine eLearning module on MHSnet in the Learning Management System and complete a brief survey at the end of the eLearning module. Completion of both the eLearning module and the survey is acknowledgment of the 2012-2013 Declination Statement.
2. Wear a mask when on the floor, unit or department where patients receive care or when within six feet of a patient for more than five minutes when outside of these areas. The 2012 masking policy will go into effect on Monday, Dec. 10.

Non-employed staff such as vendors, contractors and non-employed providers are responsible for:

1. Providing evidence of having received the vaccine and wearing a black badge holder, or
2. Wearing a mask as outlined above.

If you have questions or would like more information, please visit the Influenza Updates page on MHSnet or contact Employee Health:

- MultiCare Employee Health: employee.health-Tacoma@ multicare.org or (253) 403-1007
- Good Samaritan Employee Health: employee.health-Puyallup@ multicare.org or (253) 697-1560

The School of Nursing Will Provide to the Site:

Bonita Criswell or Gloria Gietl
Email: Bcriswell@peacehealth.org, Ggietl@peacehealth.org

Additional Site Requirements
1. Meet with Occupational Health (15 - 20 minutes). The Occupational Health nurse will review your health history with you, which includes:
   - Analysis of your immunization status. You should bring proof of 2 MMR immunizations and Hepatitis B vaccine if your clinical rotation involves potential exposure to body fluids.
   - Tuberculosis Screen: Your TB skin test will need to be read 2-3 days after it has been given. If you can show proof (within 1 year) of current TB testing you will only need one TB test. If no current TB test is available, you will need a second test within 3 weeks of the first test.
   - Occupational Health will also run a drug screen, at the cost of $29 per student. Make checks payable to PeaceHealth St. Joseph Medical Center.

2. Meet with Human Resources to complete the following: National Criminal background check that covers, State, County, FACIS, Social Security and OIG, prior to working at the hospital. Should be completed by sponsoring organization; if not, PeaceHealth
will complete background check for a $35.00 charge. The school of nursing background check can be used instead.

The contact person at HR is:

Lauren Gilmore  
Human resources  
600 Birchwood Avenue  
Bellingham, WA 98225  
Phone: (360) 788-6380  
Fax: (360) 715-4116  
Email: LGilmore@peacehealth.org

3. Bring your UW School of Nursing ID badge; you will not be issued a badge from the site.

Additional Information

- Saint Joseph Hospital is a tobacco-free workplace. Tobacco use on the campus, indoors or out, is prohibited.

The School of Nursing Will Provide to the Site

- A copy of your Verified Credentials background check
Pediatrics Northwest

Deadline/Where to Return Paperwork

As soon as possible. Mail form directly to the site.

Paperwork to Complete

- EPIC Systems Registration & Confidentiality Agreement

Send this form to Diane Taniguchi (information below).

Contact the Site

Diane Taniguchi
Pediatrics Northwest, P.S.
316 Martin L. King, Jr. Way, Suite 212
Tacoma, WA 98405
Phone: (253) 383-5777x3009
Email: Diane.Taniguchi@mbcha.net

Diane will arrange a 1/2 day orientation where you will learn EPIC computer systems training.
Polyclinic

Deadline

As soon as possible.

Site Requirements

Cardiology Clinic Students Only

Contact Cheryl Dollente immediately for required paperwork before you start clinicals:

Cardiology Practice Manager
Phone: (206) 860-2262

You will be asked to sign a confidentiality agreement. You also need to submit the following:

- your RN license number
- proof of immunizations from Hall Health
- proof of HIV training

Email us

Providence Centralia Hospital

Deadline

30 days prior to your rotation.

Paperwork to Complete

2. Click on the Allied Health Student Link.

3. Complete Acceptable Use Agreement, Code of Conduct Acknowledgement and Non-Employee Confidentiality forms. You should sign these and send them to Jenn Rathe jrathe@uw.edu in Student and Academic Services.

The School of Nursing Will Provide to the Site

1. Clinical Passport

2. Student Verification Form

3. IS Access Request Form

Faculty Information

- The hospital contact is Mary King (mary.king@providence.org).
Providence Everett Healthcare Clinic

Deadline
As soon as possible.

Contact the Site
Your clinic orientation will be arranged through:

Heike Nuhsbaum, ARNP:
Providence Everett Healthcare Clinic
Email: heike1966@yahoo.com

Site Requirements

1. Complete TB testing at the University of Washington. Providence requires a 2-step TB test within the last 12 months.

2. Please park in back of the clinic. Our back entrance is between the dumpster and picnic table. Please knock and someone will let you in. At your orientation, you will receive a badge that will grant you entry access.

   For information on the clinic and location, please see http://www2.providence.org/northwest-washington/providence-everett-healthcare-clinic/Pages/default.aspx

3. You will obtain your badge at clinic orientation.

Providence Health System Oregon Region

Providence Health System Oregon covers the following sites:

- Providence St. Vincent Medical Center
- Providence Portland Medical Center
- Providence Milwaukie Hospital
- Providence Newberg Medical Center
- Providence Hood River Memorial Hospital
- Providence Child Center
- Silverton Hospital
- Providence Benedictine Nursing Center
- Providence Seaside Hospital
- Providence Medford Medical Center

Deadline

As soon as possible.

HOW IT WORKS

Providence then enters this information into our Human Resources Systems so that we have a record of all students who are placed within any facility at Providence. Once this is entered, we will send you a ‘fillable’ .PDF packet. This packet contains detailed instructions and request that you gather all necessary information.

THIS DOCUMENTATION INCLUDES:

- Signed Student Pre-Placement Checklist
  - A summary page that reminds you of each step to complete. Simply check off the boxes and sign the form.
- Results of a background check that includes:
  - A Social Security Number Trace Report
  - Office of Inspector General Sanctions List and General Services Administration’s Excluded Parties Listing System
  - Criminal History (minimum 7 years)
  - Sex Offender Registry
    - If you don’t have all of these documents, don’t worry. There are instructions on how you can obtain the needed reports through a background check company for a minimal cost (currently $38.50)
- Results of a 10 panel pre-placement drug screen - the school does not pay for your drug screen nor does the school want your results.
- An attestation of proper immunization history.
You don’t have to send in original health records but you do need to have them on-file in case we ask for validation.

Follow the instructions on the form, review the materials on a web-site, and sign the form that you have completed the education.

- Read the information and complete the form
- Health Screen Verification
- Attestation of HIPAA training
- Signed Non-employee Acceptable Use and Confidentiality Agreement
- Signed Acceptable Use Agreement and Code of Conduct Acknowledgement

Once you have completed the packet and attached the necessary files, you may scan and email the document to studentaffiliation@providence.org or fax to 1-877-470-6431. It is important that you send in these documents in one ‘bundle’ rather than sending in individual pages as they are completed. In about 5 business days you and your school contact will receive an email from Providence stating that you have completed the affiliate on-boarding process. This confirmation email should be kept with you at all times that you are at a Providence facility. Consider it the “Providence VISA” to your clinical affiliates “Passport”.

QUESTIONS

If you have any questions or concerns about this process, you should first discuss them with your school, clinical faculty, and/or clinical placement coordinator.

Phone: 425-261-3087
Fax: 425-261-3095
Email: karen.anderson@providence.org

1. Go to the following web link for PRMCE’s Prep Portal.
   http://washington.providence.org/hospitals/regional-medical-center/healt...

2. Click on “Medical ARNP and PA” tab in left column for information and forms you should review and sign prior to your start date.

3. Send all completed forms to Karen via email or fax NO LATER than two (2) weeks before the start of the quarter.
   - Bring hard copies of all the completed forms to your clinic orientation just in case they are needed.

4. Karen also needs a phone number to contact you if needed.

5. Email a JPG headshot to Karen for your badge. Make sure the headshot has a solid background color.
   - Plan to get your badge before or on the first day of your rotation.
   - Return your badge to the badge office at the end of the quarter.

6. Ask your preceptor if you need EMR access. If you do, email Karen for computer access/training set up.

7. A detailed dress code is located in the PRMCE Prep Portal. No jeans or open-toed shoes.
Additional Information

- In addition to mailing in a copy of your completed documents, bring a hard copy to the clinic during your initial clinic orientation.
- The student will need to be passport compliant.
- Providence recommends that you plan to get your badge on the day of your tour. **Be sure all badges are returned to the badge office at the end of the quarter.**
- A detailed dress code is located in the Prov Prep Portal. No jeans or open-toed shoes.
- Send a .jpg headshot to the PRMCE Medical Staff Office for your badge. Make sure the headshot has a solid background color.
- Call the Medical Staff Office at (425) 261-3929, or fax (425) 261-3095 for help with student computer access/training set up.

Email us

- 206-543-8736 or

- Box 357260
- Seattle, WA 98195
Providence St. Peter Hospital

Deadline

45 days prior to your rotation start date.

Paperwork to Complete

2. Please return all three forms to Jenn Rathe in Student and Academic Services.

3. In order for Student and Academic Services to complete your clinical passport, you will need to request your immunization summary from Hall Health (myshots@uw.edu). Send the summary to SoN Compliance (nscomply@uw.edu), who will complete the clinical passport once he has received your immunization summary.

4. Student and Academic services CANNOT fill out the access request form until we received your paperwork and the clinical passport is filled out.

5. If you are an employee of Providence: when an employee is a student, the two titles remain very separate. Students will work under student guidelines, using your EPIC login, wearing your student badge etc. All documents per the on-boarding are separate from any Providence documents and will need to be filled out.

St. Clare Hospital, Lakewood
St. Elizabeth Hospital, Enumclaw

Please go to the website below and return your paperwork as soon as possible.

http://www.fhshealth.org/About-Us/Student-Requirements/

- Immunization specifics: Franciscan Health System requires a 2 Step TST for each student. The first skin test must be read 48 to 72 hours after administration. If the first TST is negative you must obtain a 2nd TST within 1-3 weeks, then annually after that. If your annual TST lapses, you must complete the 2-step process again. Franciscan Health System does not accept QuantiFERON (QFT).

- Required education specifics: You can obtain these modules on the CPNW website. Please return modules to school representative along with the other required paperwork. **Student login: student Password: cpnw**

  1. Emergency Response Procedures training or module
  2. Confidentiality Privacy and Information training or module
  3. Standard Precautions training or module
  4. Infectious Medical Waste training or module Modules are available at: cpnorthwest.org

- This site also requires the Clinical Passport and Consent to Release Form. Please coordinate with SoN Compliance in Student and Academic Services a nscomply@uw.edu
St. Joseph Medical Center (Tacoma)

Swedish Health Services

Deadline

3 weeks prior to your clinical rotation.

ALL Students:

1. Complete Hazards Management training through one of the web sites below:
   - University of Washington Hazardous Waste Training
   - OSHA Hazard Communication Course

2. Any student attending Swedish for a clinical rotation must have a flu shot, or sign a declination form and wear a mask during flu season. Flu season beginning and end dates will be determined jointly by the hospitals, Washington State Hospital Association, and Public Health. Swedish will provide the vaccine for free to students; students may go to a flu vaccine clinic, go to the Employee Health Department, or be vaccinated on the patient care unit. Vaccine clinics will also be provided (see the Influenza Letter below for more information on available clinic dates and hours).
   - Influenza Info

3. This site requires a clinical passport. Please email SoN Compliance directly at nscomply@uw.edu. Your passport WILL NOT be generated until you contact SoN Compliance. The clinical passport needs to be submitted to your clinical site three weeks before the start of the quarter by SoN Compliance at Student and Academic Services. Therefore, submit all items as requested by SoN Compliance NO LATER than four weeks before the start of the quarter. Request an immunization summary and TB summary from Health Sciences Immunization Program (HSIP) via myshots@uw.edu. Include your student # in the email request. The immunization summary MUST include the annual influenza vaccination. Email both documents to SoN Compliance. NOTE: Per UW policy, the SoN can only take information verified and processed by HSIP. Do not send immunization information or test results directly to SoN Compliance.

4. SoN Compliance will inform you if you need to renew your background check.

5. In order to provide an increased level of security for our patients and care givers Swedish DOES require photo ID in addition to your badges. Please have your Photo ID visible and with you at all times during your clinical rotation.

1. Contact:
   Kathryn Ogden

https://nursing.uw.edu/academics/graduate-clinical-sites/swedish-health-services[3/30/2016 10:46:18 AM]
2. Complete InfoPort online training.
   User ID: stUDEnt
   Password: Nspring!6

3. When you access the Infoport you do not need to complete the blood-born pathogens or Hazard Materials.

4. When you complete the paperwork on the InfoPort please scan each individual form to StudentOnboarding@swedish.org

5. Go to the Swedish Graduate Medical Education site to apply: http://ehealth.swedish.org/gme. Please make sure you apply at least 3 weeks prior to your start date, or Swedish will not be able to guarantee computer access when you start.

Important Notes

CPC's please CC Megan.Flox@swedish.org and StudentOnboarding@swedish.org in your placement confirmation emails.

You MUST have comprehensive health and accident insurance to attend this site, providing coverage for the duration of your clinical rotation. If you do not, it is your responsibility to e-mail your Clinical Placement Coordinator and inform them that you need to change your clinical site.

Swedish specific requirements include personal healthcare insurance, influenza vaccination, bloodborne pathogen and hazardous materials education for each student and clinical instructor. Documentation of these documents will need to be with you at all times.

Please review the Placement Protocol that the School of Nursing must follow when placing students at Swedish Medical Center.

Site Contact
Charles Moody, RN, JD
UWMC Nursing Staff Development
Box 356153
Phone: (206) 598-5591
Email: cmrn@uw.edu

Requirements & Deadlines

- **Confidentiality Agreement** - *Must be completed once per academic year.* Provide full name, student ID #, department (*UW SoN*), job title (*NP student*); sign/date and email to Charles no later than three weeks before the start of the quarter.

- **HIPAA Training** *(Done by all students at the start of the Program; no need to repeat.)* Send a copy of the training certificate to Charles no later than three weeks before the start of the quarter.

- **UW NetID and UW Medicine Account; Directions to set up your UW NetID and UW Medicine Account**

- **Clinical Passport – Sent to UWMC by Student and Academic Services** *NetID three weeks before the start of the quarter.*
  
  - Email SoN Compliance at nscomply@uw.edu so that he can start the whole passport process. Your passport will not be generated until the student has contacted SoN Compliance to start the passport process.
  
  - Request an immunization summary and TB summary from Health Sciences Immunization Program (HSIP) via myshots@uw.edu. Include your student # in the email request. The immunization summary MUST include the annual influenza vaccination. Email both documents to SoN Compliance no later than six weeks before the start of the quarter.

  NOTE: Per UW policy, the SoN can only take information verified and processed by HSIP. Do not send immunization information or test results directly to SoN Compliance.

- **Learning Management System (LMS) modules** *(7 or 10 total) – UW Medicine accounts to access the modules get activated one week before the start of the quarter.* Required Education 2015. Directions to Access LMS and Required Education Content for Nursing Students

- Contact your preceptor to determine if you need EpicCare or ORCA access for your rotation. Training is **REQUIRED** to get access regardless of your familiarity with ORCA or Epic.

  NOTE: There is no need to repeat the training if you've had UW Medicine ORCA or EpicCare training within the past year - email Charles to verify if this applies to you or not. The access level and username will be the same. A new password
set by the student is required every quarter.

- For in-patient placements, ORCA access is needed. An instructor led training session will be held during the first week of the quarter. You will be registered for this training by Charles. See ORCA training dates below. Training location may be at the UW Tower T-17 or UWMC room CC 408. Email Charles for the location each quarter.

NOTE: Employee Health does not use ORCA; you will not need ORCA training if going to this clinic.

- For out-patient placements, EpicCare access is needed. Training is done online; website can be accessed one week before the start of the quarter.

- UWMC photo ID - You may not obtain your photo ID until the first day of the quarter.

- Obtain a UWMC photo ID at the UWMC Security Office/Public Safety located in room BB 120 (206-598-4907). Take the Pacific elevators to the 1st floor and follow signs to the office. You will need a current photo ID to process a UWMC photo ID.

- After your rotation is complete, send the photo ID back to Charles Moody via Box 356153.

</tr>
</tbody>
</table>

- **UW Tower T-17** is the 17th floor Training room at the UW Tower (corner of Brooklyn Ave and 45th street). Take the UW Health Sciences Express shuttle to the UW Tower. Check in with security to enter the building. A student list will be sent to the UW Tower security department prior to the class. Take the main entrance elevators to 17th floor and look for a sign to the T-17 training room.

- **UWMC room CC 408** is a training room off the 4th Floor of the Pacific tower. Ask at the information desk for the Pacific tower. Take the Pacific elevators to the 4th floor. CC-408 is located across from the elevators.

### Additional Information

- For every clinical, wear your UWMC photo ID, professional attire and/or a white lab coat.

- Per the UW Medicine security policy, you **cannot** have your UW email forwarded to an outside email account; you are required
to use a 'u.washington.edu' or 'uw.edu' email address. If you use the email forwarding service, it will need to be deactivated for the duration of your clinical rotation. You are considered a UW Medicine Workforce Member until the end of your clinical rotation. If you are auto-forwarding email at this time, disable this feature IMMEDIATELY through the following website: https://uwnetid.washington.edu/manage/?forward. To change your email forwarding, choose "Forward to UW Deskmail" then choose "OK." If you need help setting your forwarding correctly, please contact UW Medicine IT service at (206) 543-7012. You can also contact the UW-IT Service Center at (206) 221-5000 or send an email to help@uw.edu.

For reference, please see UW Medicine's Electronic Data Policy located at:  https://security.uwmedicine.org/guidance/policy/electronic_data/default.asp

- If you are a current UWMC employee, please follow the steps below:

1. Complete, sign, date and submit Confidentiality Agreement to Charles Moody via email three weeks before the start of the quarter.

2. Obtain a UWMC photo ID as a student at the Security Office/Public Safety. You many not obtain your photo ID until the first day of the quarter.

3. Contact Charles Moody to determine which LMS modules still apply. Complete needed LMS modules.

Dress Code

The student dress code is described in the University of Washington Medical Center (UWMC) Administrative Policies and Procedures and in the UW School of Nursing (SON) Student Handbook relative to the following:

- Uniform
- Closed toe shoes
- Appearance/Hygiene
- Stethoscope and watch
- Stud earrings and small nose studs are the only acceptable forms of visible pierced jewelry
- Tattoos must be covered
- We are a fragrance free zone which includes hand lotion, perfume, hair products

Students are expected to follow the dress standards set forth by the SON and by UWMC. Students are guests at UWMC and representatives of the SON. Their behavior and appearance must show respect for patients and their families, and for the nursing profession during all clinical activities. These clinical activities include the time when students are getting their patient assignments and reviewing the patient's medical record. Our patients derive confidence and comfort from caregivers whose appearance and behavior is professional. Examples of inappropriate attire include:

- Jeans, shorts, fatigues
- See-through knit attire/thong underwear
- Knit shirts revealing cleavage/midriff in female students
- High heels/boots/flip-flops
- Flashy jewelry (rings, necklaces, bracelets, earrings)
- Acrylic nails
- Scrubs (exceptions made for observational experiences in specialty clinics and the OR)
UW Medicine Neighborhood Clinics

Deadline
At least 1 week prior to your clinical rotation start date.

Required Paperwork

- Trainee Checklist

Students returning for the next quarter need to submit only the Student Agreement Form

Please contact the site or your preceptor directly to obtain the correct paperwork.

Please return forms by mail, email or fax to:

Irine Kariuki
Human Resources Assistant
UW Neighborhood Clinics
Phone (206) 520-5528
Fax: (206) 520-3253
Email: ikariuki@uwpn.org

Additional Information

*This site requires a clinical passport. Please email SoN Compliance directly at nscomply@uw.edu. Your passport WILL NOT be generated until you contact SoN Compliance. The clinical passport needs to be submitted to your clinical site three weeks before the start of the quarter by SoN Compliance at Student and Academic Services. Therefore, submit all items as requested by SoN Compliance NO LATER than four weeks before the start of the quarter.

Request an immunization summary and TB summary from Health Sciences Immunization Program (HSIP) via myshots@uw.edu. Include your student # in the email request. The immunization summary MUST include the annual influenza vaccination. Email both documents to SoN Compliance. NOTE: Per UW policy, the SoN can only take information verified and processed by HSIP. Do not send immunization information or test results directly to SoN Compliance.
Per the UW Medicine security policy, you cannot have your UW email forwarded to an outside email account; you are required to use a 'u.washington.edu' or 'uw.edu' email address. If you use the email forwarding service, it will need to be deactivated for the duration of your clinical rotation.

You are considered a UW Medicine Workforce Member until the end of your clinical rotation. If you are auto-forwarding email at this time, disable this feature IMMEDIATELY through the following website:  https://uwnetid.washington.edu/manage/?forward. To change your email forwarding, choose “Forward to UW Deskmail” then choose “OK.”

If you need help setting your forwarding correctly, please contact UW Medicine IT service at (206) 543-7012. You can also contact the UW-IT Service Center at (206) 221-5000 or send an email to help@uw.edu. For reference, please see UW Medicine’s Electronic Data Policy located at: https://security.uwmedicine.org/guidance/policy/electronic_data/default.asp

Seattle, WA 98195
VA Puget Sound Health Systems

Deadline

- Spring Quarter 2016: PAPERWORK Delivered to the Nursing school (T-301) via in person or fax 206-543-3624 (scan not acceptable) by Feb 9th, 4:00pm.
- Summer Quarter 2016 PAPERWORK Delivered to the Nursing school (T-301) via in person or fax 206-543-3624 (scan not acceptable) by Tuesday May 3rd 4:00 pm.
- Paperwork received after the deadline will not be accepted by SAS.

Paperwork to Complete

You will receive an email from Student and Academic Services with the most recent paperwork after your clinical placement confirmation has been sent by your Clinical Placement Coordinator: Paperwork for the VA includes the following forms. Please email/fax or drop by The Office of the Dean; Student and Academic Services T-301 to return your paperwork/certificate to Jenn Rathe jrathe@uw.edu. Your clinical placement coordinator will help you coordinate the rest of your requirements at the VA.

The VA Now requires the Clinical Passport. Please email SoN Compliance directly at nscomply@uw.edu. Your passport WILL NOT be generated until you contact SoN Compliance. The clinical passport needs to be submitted to your clinical site three weeks before the start of the quarter by SoN Compliance at Student and Academic Services. Therefore, submit all items as requested by SoN Compliance NO LATER than four weeks before the start of the quarter.

Request an immunization summary and TB summary from Health Sciences Immunization Program (HSIP) via myshots@uw.edu. Include your student # in the email request. The immunization summary MUST include the annual influenza vaccination. Email both documents to SoN Compliance. NOTE: Per UW policy, the SoN can only take information verified and processed by HSIP. Do not send immunization information or test results directly to SoN Compliance.

SoN Compliance

Student Compliance Specialist

UW School of Nursing

206.543.9146 (Desk)

206.543.3624 (Fax)

email: nscomply@uw.edu

In addition, VAPSHCS are requiring WOC nursing trainees (Instructors + students) to have their flu shot vaccine completed
**before starting clinical rotation.**

All paperwork must by TYPED!

1. Fingerprint Prep Sheet
2. Application for Health Professions Trainees (VA form 10-2850D)
3. Declaration for Federal Employment (Form 306)
4. Clinical Trainee Registration Form
5. TMS Training Certificate
6. PIV ID Proofing Criteria

---

**Computer Training and Badging Information**

1. All nursing students are required to complete VA Mandatory Training for Trainees (MTT) prior to clinical rotation. Trainees must self-enroll in Talent Management System (TMS) in order to complete this required training:  [https://www.tms.va.gov](https://www.tms.va.gov)  **It is imperative that students follow the directions on how to self-enroll in TMS or they risk serious delay in regards to on boarding process** (instructions will be emailed to you by Jenn Rathe).
   - You MUST follow the directions on how to self-enroll in TMS or you risk serious delay in regards to your onboarding process. Self-enroll by creating your TMS profile at the above link. Once you are on the TMS website, follow the steps listed on pages 2-3 to create your profile to launch the mandatory training course. Complete the content and print the Certificate of Completion. Return your certificate to Jenn Rathe with your other paperwork.

2. All male students ages 18 to 27 with permanent resident status must show proof of registration for military duty.

3. The VA does NOT require a copy of the Clinical Passport.

4. **If you are not a US Citizen, you cannot have a clinical placement at the VA.** Please contact your Clinical Placement Coordinator.

---

Please do NOT contact the VA to reschedule any appointments. Your training is MANDATORY. Failure to show up for badging or fingerprinting can result in a delayed placement.

---

**Badging/Fingerprint Appointments**

Your CPC will email you the attachment "How do I make my first and second fingerprint appointment" once you receive your confirmation placement email.

Do not worry about the SOI and SON as that is only for people who are transferred from another VA. **School ID is no longer accepted as one of the source document.** Students need to bring 2 acceptable identity documents when they report to VA  HR
Office for their 1st finger print appointment and 2nd badge appointment. All you need is to refer to your attachment PIV proofing criteria to bring 2 IDs with you. Both documents CANNOT be expired or cancelled.

You will need to self-schedule your own 1st and 2nd appointment. All appointments are Mandatory. You will also need a 3rd computer training appointment. This will be a grouped appointment, Your CPC POC for the VA will announce the group date of your 3rd appointment, This is also mandatory.

Effective immediately on November 28th 2014, all WOC nursing students' badges are valid for one year from the date they were being sponsored. Please pay attention to their VA badge expiration date.

If the student is returning back to VA Puget Sound within one year after they are being badged for the 1st time since November 28, 2014, students are responsible to maintain their own badges, so they can continue to wear the valid badge during their 2nd, or 3rd clinical rotation at VA Puget Sound. If the student is not returning back to VA Puget Sound, the student needs to turn-in their VA Puget Sound badge to their clinical instructor to turn-in back to HR security office upon completion of the clinical rotation.

Badging/Fingerprinting Checklist

1. Please refer to the PDF file (sent by your CPC) to self-reserve your 1st FP and 2nd badge appointments. Report to your appointment date/time on time.

2. Please do not wait until the start of the quarter to act; please plan ahead and act now as the schedule fills up fairly quickly!

3. Please notify your CPC the date of your 2nd badge appointment: THIS STEP helps your CPC to estimate a date and make arrangement for 3rd computer access training as a group before your clinical rotation starts.

4. If you wait until the last minute to schedule your 1st fingerprinting and 2nd badging appointment, you are at risk to delay your clinical rotation.

Parking

Please note starting June 1, 2015 VA Seattle parking will be extremely limited for day shift. Carpool and vanpool areas are only assigned to VA employees who registered their cars. Cars with no parking permit will be ticketed and possible towed away.

For students who come during evening shifts, you may park in the hospital lot E after 2:30PM. For evening shifts, the best way is to carpool so you are in and out around the same time with company for safety purposes.

Questions?

Please contact your Clinical Placement Coordinator or Jenn Rathe in Student and Academic Services at jrathe@uw.edu/(206) 221-2457.

Returning Students/Employees at VA
Please email Charmayne Anderson (Charmayne.Anderson@va.gov) at the VA for onboarding requirements. Charmayne will need to meet with you prior to your rotation to review objectives. You will be required to work outside of your normal hours and outside of your unit.

Jenn Rathe will send in your WOC form to reactivate your badge and TMS account.
VA Puget Sound Health Systems (Retsil Veteran's Home ONLY)

Deadline

Your first clinical rotation day.

Academics

Wenatchee Valley Medical Center (See also confluence Health)

Listed below are requirements needed to participate in a Confluence Health student rotation. The school will provide documentation of your immunizations upon audit. It is your responsibility to complete the site specific immunization requirements below and remain compliant. You can request an immunization summary at myshots@uw.edu

1. Completion of the Confluence Health forms: Terms and Conditions, Workforce Confidentiality and Security Agreement, Disclosure and Authorization, Medical Information including:
   - Tuberculosis (TB) – Two (2) skin tests placed and read within 1-3 weeks after the reading of the first skin test or a negative Blood Assay Mycobacterium Tuberculosis Test (BAMT) or Documented TB History
   - Two (2) Measles, Mumps and Rubella Vaccines or positive titers
   - Two (2) Varicella vaccines or positive titer
   - Influenza vaccine (Seasonal Requirement)
   - Hepatitis B Vaccines or positive titer recommended, not required
   - Tetanus/Diphtheria/Pertussis (Tdap) vaccine required for OB/ Peds

2. Documentation of the following:
   - Current negative drug screen. The screening must be performed within the previous 12 months. Minimal screening substances include: amphetamine / methamphetamine, cannabinoids, cocaine, opiates and phencyclidine. **DO NOT send the school a copy of your drug screen results. UW STUDENTS DO NOT NEED TO COMPLETE THE DRUG SCREEN AT THIS TIME!**

   **Acceptable documentation:** A copy of a current negative drug screen.

   - Current negative criminal background check. The background check must be performed within the previous 12 months and include a minimum of the following: 7 year multi-state criminal history report including Nationwide Database Records, Residency History, Social Security Verification, Nationwide Sexual-offender Index, Nationwide Healthcare Fraud and Abuse Scan.

   **Acceptable documentation:** A copy of a negative multi-state criminal history report.

   - General liability and malpractice insurance. The minimum coverage required is one million dollars/incident and three million dollars aggregate. This coverage may be an individual policy or a group policy provided by the employer. (This will be sent by the
School of Nursing

Current healthcare-provider level Basic Life Support (BLS) certification.

**Acceptable documentation:** A copy of a current HCP-level certification card.

Please submit all forms to:
