COMMUNITY PARTNERSHIPS

ENGAGING SERVICE LOCALLY AND NATIONWIDE

- Clinical Partner relationships with institutions across the state and nation expose students to more than 1,200 physicians and nurse practitioners who instruct, guide and mentor future healthcare leaders.
- The School of Nursing works with six local medical centers that provide expert nurses as loaned faculty to the school.
- Nurse Camp, staffed by faculty and staff volunteers, increases access and opportunities in nursing to minority and low-income high school sophomores and juniors.
