Confidentiality Acknowledgement Form for Observational Activities

UW Medicine has a legal and ethical responsibility to safeguard the privacy of all patients and protect the confidentiality of their protected health information (PHI). Strong federal and state laws govern the privacy of our patients and their health information.

When you participate in an observational experience at UW Medicine, you are involved in a unique experience. You will be accompanying a health care professional for a specified period in a health care facility. During this time you will or may be seeing patients with a variety of medical issues and/or you may see and hear confidential information relating to these patients. This relates to information past, present and future.

As a condition of participating in this observational experience, I understand and agree that:

- I must maintain and safeguard the confidentiality of any and all UW Medicine protected health information.
- I will not access, use or disclose protected health information unless specifically approved as part of my observational experience. I will maintain all protected health information in the strictest confidence and will not disclose or allow access to protected health information to others.
- Any access to protected health information may be monitored to assure appropriate compliance with system integrity and UW Medicine policies and procedures.
- If I fail to comply with the above confidentiality guidelines, or if I breach patient confidentiality, this agreement will be terminated and my ability to participate in future activities at UW Medicine may be denied.
