SEE WHAT CAMPERS EXPERIENCE

WHAT YOU'LL ACTUALLY DO

Get CPR Certified

Learn life-saving skills with fellow nurse campers and earn your CPR certification.

Shadow Real Nurses

Get hands-on experience shadowing nurses at UW Medical Center – Northwest and Montlake.

Visit the UW Simulation Center

Work with High Fidelity manikins and equipment that our students use every day.

Meet the UW SON Community

Learn the ins and outs of what nursing school is actually like from current UW students.

// Camp taught me so much. **Everything we learned, including CPR, how to take vitals, working with and treating different wounds, seeing the tools nursing students use like mannequins,** and more, gave me an introduction to what to expect in the future as a nursing student and nurse.
